

Oracle

Hi Gal

More good news this morning regarding completion of our safety check and permanent certificate. Thanks!

Can I please ask you to send special thanks to a few individuals who have really supported us! They have the right attitude, are very customer focused and work very hard to fix things and resolve issues.

They are a pleasure to work with :

Yosi
Sharon
Tomer
Morad

They should be appreciated as the best of your team.

Thank you!

We have had such good feedback from senior management and employees.

We really appreciate all the hard work this week to get us open. The team you put on were fantastic and couldn't have worked any harder! Please pass on our thanks! And thank you for being so involved.

As you say, still quite abit to do but we have a great office that everyone is proud of!

Thanks
